NOTICE OF RELATED CASES

**TO THE COURT AND ALL PARTIES:**

Pursuant to local rule 83-123, Plaintiff TRAVIS RICHARDSON gives notice that this action is related to *Trong Nguyen v. Samsung Electronics Co., Ltd., et al.*, Case No. C-07-00086 SBA in that both actions involve the same transactions and events, and both actions involve similar questions of fact and the same question of law such that their assignment to the same judge is likely to effect a substantial savings of judicial effort. Both actions concern the same conduct by the defendants which, as set forth in the complaints in each action, *inter alia*, constituted a violation of the Sherman Act, 15 U.S.C. Section 1, and the Cartwright Act, Section 16720 of the California Business and Professions Code, in the market for direct and indirect sales and purchases of flash drives. Assignment of both of these actions to a single judge is likely to effect a savings of judicial effort and other economies because the same issues of fact and law will be presented in both actions.
